Dispatch Media Group Names Westerwood a Winner of the Columbus Top Workplaces Award for the 7th Year in a Row

COLUMBUS, Ohio - May 25, 2022 - Westerwood has been awarded a Top Workplaces 2022 honor by Columbus C.E.O. Magazine. The list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

"We are honored and thrilled to be named a winner of the "Top Workplaces 2022" award by Columbus C.E.O. Magazine," said Lisa Burkhart, Executive Director. "This is the 7th year in a row Westerwood has received this recognition and it is so meaningful to us because the list is based solely on employee feedback."

"During this very challenging time, Top Workplaces has proven to be a beacon of light for organizations and a sign of resiliency and strong business performance," said Eric Rubino, Energage CEO. "When you give your employees a voice, you come together to navigate challenges and shape your path forward. Top Workplaces draw on real-time insights into what works best for their organization to make informed decisions that have a positive impact on their people and their business."
