Dispatch Media Group Names Westerwood a Winner of the Columbus Top Workplaces 2021 Award – 6th Year in a Row

COLUMBUS, Ohio, May 06, 2021 - The Westerwood Life Care community has been awarded a Top Workplaces 2021 honor by The Columbus C.E.O. Magazine Top Workplaces. The list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage, LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection.

"During this very challenging time, Top Workplaces has proven to be a beacon of light for organizations, as well as a sign of resiliency and strong business performance," said Eric Rubino, Energage CEO. "When you give your employees a voice, you come together to navigate challenges and shape your path forward. Top Workplaces draw on real-time insights into what works best for their organization, so they can make informed decisions that have a positive impact on their people and their business."

"The team at Westerwood is amazing," said Jennifer Sanchez, Director of Human Resources at Westerwood. "Everyone is friendly, caring, compassionate and works tirelessly to provide exceptional care for the residents we serve."

"This extraordinary team's recognition of Westerwood as a top workplace, now for six years running, is extremely humbling," added Sanchez. "I am so proud to be a part of something so great!"

ABOUT WESTERWOOD: Westerwood, formerly Friendship Village Columbus, is a 23-acre, scenic retirement community just off the beaten path and minutes from downtown Westerville and Otterbein University. The active resident community loves lifelong learning, artistic pursuits, exercising, giving back and connecting with nature. Westerwood is the only true nonprofit Life Care community near Westerville and offers a top-rated, full continuum of care, including a Life Care Contract to provide predictable monthly living expenses regardless of care levels needed.
